SHIV NADAR UNIVERSITY

CCC645 Mobile Systems in 21st Century

Instructor

Dr. Debopam Acharya, Debopam.Acharya@snu.edu.in

Semester: Monsoon 2019, (July 29. 2019 - September 19, 2019)

Teaching Assistant: Mr. Nikhil Kumar, nk438@snu.edu.in

PART A: COURSE IDENTIFIERS

1. School	**School of Engineering**
2. Department	**Computer Science and Engineering**
3. Course Code	**CCC645**
4. Course Title	**Mobile Systems in 21st Century**
5. Credits (L:T:P:C)	**1.5:0:0:1.5**
6. Contact Hours (L:T:P)*	**3:0:0**
7. Prerequisites	**None**

***Per student per week. For example, a 1.5 credit CCC that runs for a half-semester with only lectures would have contact hours 3:0:0. A course with 3 lecture hours and 1 tutorial hour and a single 3-hour lab per week would have contact hours 3:1:3.
**Give Major and Year.

PART B: OBJECTIVES AND PRACTICE

8. Course Summary

This course includes the introductory concepts of development of mobile systems in the 21st century.

9. Course Aims

This course will enable the students to understand the history of development of mobile systems, and **introductory concepts** of cellular systems, concept of a wireless cell, mobile communication systems, satellite systems and other kinds of wireless networks based systems. This will require no prior knowledge of computer networking related topics/courses.

10. Curriculum Content

1. History of Mobile Systems
2. Introduction to various types of Mobile Systems
3. Introduction to Cellular Systems
4. Introduction to Mobile Communication Systems
5. Introduction to Satellite Systems
6. Introduction to Misc. Mobile/Wireless Systems.

11. Teaching and Learning Strategy

All materials (lecture notes, assignments, etc.) will be uploaded in BlackBoard. Refer to the modules in Blackboard and weekly schedule for details.

PART C: ASSSESSMENT.

12. Evaluation Instruments

Evaluation Instrument	Weightage
Quiz	20%
Assignments	40%
Final Exam	40%

Grading Policy

Scores obtained in all the components of Evaluation shall be totalled and the final score will be converted into letter grade.

Grading Scheme

Grade	Range
A	90 and above
A-	80 to 89.99
B	70 to 79.99
B-	60 to 69.99
C	50 to 59.99
C-	45 to 49.99
D	40 to 44.99
F	39.99 and below

Make up Policy

No make-up will be granted for any component of evaluation unless:

- You have emailed the course instructors with necessary reason(s) as soon as possible before the date of evaluation and a make-up date has been agreed upon.
- Unforeseeable circumstances prevent you from keeping the original date.

In either case, you may need to submit supporting documents. The decision of the Course Instructor in all these matters shall be final.

Cheating Policy

Any attempt to pass of someone else work as your own or to assist someone else in such an effort is considered cheating. Please familiarize yourself with SNU policy on Academic Malpractice and Plagiarism.

Attendance and Participation

The nature of the class makes participation essential.

- Make sure you sign your name in each class.
- Missing Classes will be subjected to penalty as per SNU rules unless there is an emergency. If you become seriously ill or have a family emergency, it is your responsibility to communicate with the Professors as soon as you are able, preferably before class. The Professors reserve the right to require documentation.
- Please familiarize yourself with the University policy on Attendance.

Course Policies

- Maintain a notebook and keep notes for each and every lecture.
- No social Networking/non relevant sites should be opened during the class.
- No food and drinks allowed in the class.
- Course Materials will be regularly posted.
- Bonus points may be given during the semester in the form of quizzes and/or assignments.
- See Announcement Section regularly for other information.
